The club offers a fantastic venue for Dinghy events and is able to provide superb race tracks up to 2 miles in all wind directions and conditions.

**Launching:** Very close to the dinghy park is a large slipway able to cope with launching needs of large numbers of boats. A secondary launch area is also available for very large events

**The Dinghy Park:** has a capacity to safely tie down in excess of 150 boats and now boasts a 30 space inflatable tender rack at the top of the slipway

**Car Parking:** With an significant overflow car park and the occasional use of a field opposite Camping can also be provide for very large events
